“ *I had the absolute honor and privilege to work with Suddie at Harris-Teeter / Morrocroft. Suddie was an absolute gem of a person. She brought joy and kindness to the workplace and she was loved dearly by all of her colleagues at HT. Suddie "kept me grounded" and provided me with her wisdom, encouraging words and support, during my time working with her. Suddie and I always joked that sometimes our jobs were like "riding a roller coaster", full of twists and turns, ups & downs; however, always fun and excillerating. I actually gave her a framed photo of a roller coaster, with a similar descriptive caption. She kept that photo in her office at Morrocroft and then proudly showed it to me hanging in her office when she moved to HT Corporate Headquarters. I LOVED Suddie Adams and will miss her dearly. Rest in peace my dear friend....Tommy Franklin*
