“ *Sylvia was like our family, another sister to me. She had a great smile and was fun to be around all the time. Her and my sister Rose has been best friends for many years and now it is so hard to say goodbye to such a beautiful person. May God continue to bless her family and children. RIP my friend and sister. You may not be here physically but spiritually your soul will always be with us. We all love you and is going to miss you dearly. Rest now my sister until we meet again.* ”
