“ *I just cannot believe you're gone. My heart hurts so bad!!! Momma's baby you don't have to worry or struggle anymore. This world is not the same with your presence and essence now departed. I'm so proud of the fight you fought. You showed me what real strength, perseverance, and courage is. The devil thinks he won but you have the total victory, God knows! I miss everything about you. Momma's baby. I will always love you. I wish with ally heart the fight would've been fair but God's judgement and vengeance will come. God saw, heard, and know my dear brother. He knows!*
