“ Your favorite Sister-n-law LOL! Even though I know you won't read this, we are all still in disbelief! We love you & will miss you! Always playing & joking! Life of the party, Loud talking “Jessie Mae, take the shot” so many good time & memories we will cherish! Get your rest, until we meet again! #LLTSUGGS

“ Tory this is mom.

*I was sooooo shocked to hear of your death. I did exactly what you told me not to do, if you died. I yelled, screamed and cried all at once and I couldn't stop.*

*I know God called you home because it was your time to go. I know you are in a better place because God don't make mistakes and he only takes the best.*

*Dont you be acting up in front of all of our deceased family members. I know I am asking a lot but don't be all loud, licking out your tongue and middle finger. I also know it won't be you unless you do those things, so just be yourself. The family will continue to love you anyway because you are Brenda Suggs son - lol.*

*I know you loved me and I loved you too. Your dad and I spoiled you rotten not only because we loved you, but we thought you were going to be an only child.*

*You are reunited with your dad, grandparents, aunts, uncles and cousins remember “ We are the stick together family” so be good.*

*I love ❤️ and miss you. Mom*

“ Everyone got your messages with the tongue and the finger. Just as your sign said “You understood the assignment”, We understood EXACTLY What you meant with the gestures, and we loved you anyway. Miss you much Tory.

I'm still waiting on you to call me or pull up and say "naw that won't me" I'm still in shock. I will miss your silly loud butt getting on my last nerve and me telling you how close you were to plucking that last nerve. Love you more cuz!!!!*
