“ I chose this green candle for you momma because you would have said, it's the color of money. Lol..I will always remember and appreciate all the wisdom and life lessons you've imparted within me. I miss you, momma!

“ It's 3 years today since your life was taken away. Three years of hurt, pain, and feeling like I failed you, momma. Momma, I tried! I have watched everything you told me in secret come to pass. I wish, I would have believed it then.

I miss you, momma! I told you they wouldn't call me if anything happened to you. I'm so angry momma. You didn't deserve how you were treated. So many things I have wanted to share with you, so many questions I've had about recipes you used to make when I couldn't remember exactly how you did it, and you have another great grand. He's the one God showed you in your dreams. Oh, you would have loved him so much. He's nosy just like you, ma. Lol... Everything is just hard momma without you here. Stank was killed a year after you. I wish you would've been here to save his life. It was a mess momma. They did him so wrong! You always told me to look out for him if anything should happen to you. I tried momma and God moved but evil prevailed against him. I'm glad you and Daddy weren't here to see him like that because I know it would have crushed you both to the heart. God knows all things.

I needed to vent remember how I use to. I miss hearing you say, " Toot stop that crying you gonna make yourself sick it's gonna be alright." Over the past 3 years that's all I hear. It gives me comfort during those times. So much I want to tell you momma. I don't even know where you or Stanks' remains are. You were both cremated. I would have preferred y'all to be buried side by side but his daughter and her mother cremated him and you know how he felt about that. I have no grave to go to for either of you.

You always said, what you did was to prepare me for you not being here. It didn't work momma! Nothing could have prepared me for this...NOTHING! I love you momma...I love you

“ *It's been 8 months now and it seems like it was just yesterday. I miss you so much momma and it hurts so much. The pain of you being gone is unbearable. I can't feel your essence anymore, therefore, I know you're really gone. No words, no pictures, or memories will suffice. Oh momma! My soul longs to see you one more time to hug you and kiss your neck. To hear you say, I'm still kicking. We both laugh. I miss you momma, I miss you! Sleep now.... I love you always*

“ Grandma words can't explain the hurt I'm feeling without you. It's a joy to gain family and a nightmare when you lose them. I just want to wake up. The love and kindness you showed me even meeting the "yelled boy" walking in your house. You changed my life forever I love you and I miss you dearly. And I will will keep that promise I made to take care of your girl and make sure your "big momma" is happy. I will be heartbroken because I lost a piece of me when you left leaving me not feeling whole. I know it's selfish of me to want more time but God called you home. I can be at peace knowing your not hurting or in pain and just remember the amazing times I had with you. I will miss the jokes and our deep conversations and cherish them in my heart and mind.

“ Grandma I am broken, shocked in disbelief that you are no longer here. I think about you all day still trying to figure out how and why you are gone. Without you nothing will be the same. You were the glue that kept us all together and now that you are gone what do we do now. I still need you Grandma but I can't be selfish. You are resting now no longer in pain, no more hurt or disappointment. I will forever love you and miss you. You were truly too beautiful for this word. I love you with all I have. Sleep in peace Grandma love always your favorite as you always would say lol Christine a.k.a your big momma❤️

“ Ms. Virginia was a very loving and kind soul. She became a bonus grandmother to me. I loved going to her house and talking to her she kept me laughing. She will truly be missed.

“ Mrs. Virginia was ALWAYS a bright light to her family, friends and community. After meeting her more than two decades ago, I learned quickly that she was a rare gem. Over the years, she’s continued to remain on my mind. I’m deeply saddened at her transitioning into Heaven. Sending prayers, condolences and love to the family and friends, during this time of loss. 🙏🕊️❤️
