“ *Wendy and I were neighbors before elementary school. We became best friends and enjoyed many years together. She was a bridesmaid in my 1975 wedding. I remember all of the happy times we had together! I remember we skipped high school one day with a friend (deceased). The friend drove us to Phiffer College to visit her boyfriend. Wendy started calling me Martin in junior high school. She knew that I did not like my middle name and she did not like the name June. I have too many memories of Wendy to mention. I will keep the memories and smile when I think of her! I will miss my friend!*

May God wrap his arms around the family and comfort them during this difficult time. Until we meet again!💔💔💔💔💔
