“ I gave Will a job at Target Tire many years ago. He quickly became one of my best employees, He never complained, stayed positive and always kept a smile on his face. We soon became good friends and bonded over our love of music. Our friendship lasted until the day he passed away and I will always consider him as one of the best friends I ever had. Will was the type of person that we should all strive to be.

I'm sure that Big Willie Will is funking it up on that big Mothership in the sky.

My condolences to his friends and family.

Willie Bowers will truly be missed,

Rest Easy my Brother.

This Man was my companion, my friend, my lover for Life. We spent over 20 years Loving on One Another, No one could ever take his place. No matter where he was in life during our fallout and back together. He always found his way back too our Love, The Greatest of Them All. He loved our Grandaughter with All His Heart Ija Cousar. We are absolutely heart broken and devastated by his earthly departure. Although I know that all is Well with his Soul. His spirit has made that known, too myself and Ija. My Dear husband I will Always Love You..

As, Your One And Only Lady I Miss You Like Crazy. It all feels so surreal 🥺 Dam we were supposed to grow old together. Unfortunately it just wasn't in the timing of this Universe for us, my Love....
