“ *Zion was in my American History 1 and 2 classes. We shared the same birthday and made sure the class knew. I enjoyed his personality and he was a joy to have in class. He could always be persuaded to be a group leader to rally the others to complete their work. The year after he graduate, he was at the school and came by my room to say hello. We chatted for a few minutes. He was still upbeat and pleasant. I was very sadden to hear of his untimely passing. Please know that I have been praying for his family everyday since hearing the news. I know you all will miss him dearly.*
